

## Matters Arising from ANCCG Meeting on 19 December 2022

	Ongoing Matters Arising	Meeting	Action By	Due Date	Status
1	Revision of existing Sydney night arrivals route on Runway 23L to assess whether the height of flights at LOSGA can be increased at night.	14/3/22 13/6/22	K Cooper Airways	31/3/23	Testing confirmed that it is possible to raise the altitude at LOSGA by 1000 feet (from 6000 feet to 7000 feet) for night flights with this increase of 1000 feet being unlikely to cause any unintended consequences (eg aircraft needing to deploy flaps to reduce speed at Beachlands when turning at the VIBAG waypoint when there is a tail wind).  Auckland Airport have confirmed change with the CAA and are now engaging Aeropath to proceed with it.
2	Matthew Dugmore to contact Councillor Alf Filipaina to discuss previous initiative by Community Trust to assist residents with the practicalities of applying for the noise mitigation package.	19/12/22	M Dugmore	13/3/23	Flood and cyclone issues have prevented this discussion occurring. Verbal update to be provided to meeting.
3	AIAL to develop a video featuring residents who have completed the noise mitigation package to raise awareness and understanding of the programme.	19/12/22	M Dugmore	30/9/23	AIAL to develop to use as supporting collateral for the September/October 2023 noise mitigation offers.
4	Airways NZ to undertake a trial commencing February 2023 of an early morning flight path on Runway 05 for departing South Australian flights to turn soon after take-off to fly over the Manukau Harbour (thus avoiding flying over Manukau/Totara Heights/Conifer Grove).	19/12/22	K Taylor	13/6/23	Verbal update to be provided by Airways to the ANCCG.
5	Option for appointment of a 4 <sup>th</sup> community representative to be considered.	19/12/22	Chair	13/3/23	Chair to contact Auckland Council and AIAL for them to consider this possibility. Initial contact made but flood and cyclone issues have prevented discussion occurring.
