TRUST**

Our Vision The airport's neighbourhood is a great place to live, work, play and learn

Our Mission To provide grants for the mitigation of aircraft noise in homes, along with supporting and developing grassroots community groups around the airport

STRATEGIC

- We are future focused and make evidence-based decisions

RESPONSIVE

- We listen, we are flexible, and we respond to the changing conditions and needs of community

APPROACHABLE

- We are accessible, friendly and easy to deal with

COLLABORATIVE

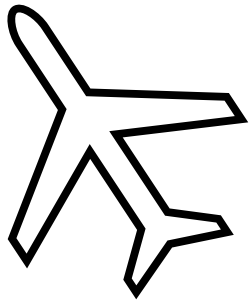

- We work in partnership, sharing ideas and engaging meaningfully with our community

What We Fund

Noise Mitigation – financial assistance packages

Community

- Annual contestable community grant
- Monthly responsive micro-grants

We prioritise education,
community,
environment, arts &
culture, sport and health

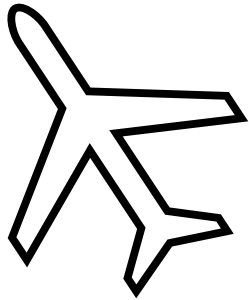

How Much We Fund

Noise Mitigation financial assistance packages

Since 2016 \$207,643.00

Community Grants and Micro-grants

Since 2003 \$6million has been granted to more than 270 organisations

In our 2023 Community Grant round we were delighted to support the amazing team at Carers NZ. We Care offers an 0800 helpline, family care magazine and education brochures to support 3,000 carers and their whānau in the Manukau area who look after their disabled, ill or elderly loved ones.
